

A dense, abstract drawing composed of numerous overlapping, hand-drawn circles and ovals, creating a textured, scribbled effect on a light background. The drawing is composed of dark grey or black ink, with varying line weights and some minor smudges. The shapes are irregular and lack a clear, organized structure, giving it the appearance of a child's doodle or a random scribble.

A page filled with numerous cursive 'u' and 'w' loops, likely a handwriting practice sheet. The loops are drawn in black ink on a light-colored background. The loops are arranged in rows, with 'u' loops on the left and 'w' loops on the right. The loops are of varying sizes and are drawn with a single continuous line. The overall effect is a dense, repetitive pattern of loops.
